

TERM 3 IN 5/6

Welcome back to an exciting term 3!
Our Parent-Teacher interviews will be on Friday
23rd July and this is a student-free day.
Camp is in the last week of term.

Battle of the Books begins on the 26th July.

Numeracy

In Maths, this term students will continue their learning about fractions and decimals. Students will learn about angles, chance and representing probability as a fraction, and volume, capacity and mass.

INQUIRY

This term students will learn about social justice and the biggest problems facing children around the world.

Literacy

For Reading this term, students will continue to learn about the author's purpose, the text structure and language features of fiction and non-fiction texts, making connections with the texts they read and formulating questions about the text.

For Writing this term, students will write a fantasy narrative, procedural text and information reports.

5/6 team ...
Mrs Marth, Mrs Craig,
Mr Davies, Ms Fairclough
