School Council Election 2023

The School Council Election begins today, February 13, 2023.

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the broad direction of a school, in accordance with Ministerial Order 1280 Constitution of Government School Councils, and the Education and Training Reform Act 2006. In doing this, a school council may directly influence the quality of education for students.

Each member brings their own valuable skills and knowledge to the role, however, in order to successfully perform their duties, councillors may need to gain some new skills and knowledge. It is important to have an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

Our school Council usually meets on the second Monday of the month and meetings run for approximately one hour. We are able to offer a blended approach to meeting and members can join online if you cannot attend in person.

You do not have to any particular skills to join, and training is available throughout the year.

There are currently 7 vacancies available.
