**Italian Program Term 1 2021**

**Signora Maiorana**

The focus for this term is speaking and listening. Every student will have the opportunity to say words related to the theme they are currently working on.

## **Prep Program**

The students have learnt an Italian greeting and have been practising greeting the teacher in Italian in every lesson. The students have been introduced to the character of Pinocchio through a big book. They have been introduced to the Italian song that Geppetto sings in the story about making all the parts of the wooden puppet. The students participate in the song and incorporate the actions while singing. They participate in various word games and activities to learn the vocabulary of the body parts.

## **Grade 1 /2 Program**

The theme for the grade 1/ 2 students is Colours/ I Colori. The students will learn how to say their favourite colour in a sentence. They will participate in various games such as Bingo and Hangman using the vocabulary of colours and sing songs about colours. They will start to join sentences by using the conjunction 'and' in a sentence and express their likes and dislikes for certain colours.

## **Grade 3/ 4 Program**

The grade 3/ 4 students are learning the numbers in Italian to 100. They will participate in games involving counting and looking at number patterns. They will use their mathematical skills to complete simple addition and subtraction equations.

## **Grade 5 /6 Program**

The students in grade 5/ 6 are examining a wide range of sentences that express feelings. They will practise the pronunciation of 4 and 5 syllable words, understand the meaning of those words and use them appropriately in conversation with their peers and Italian teacher. They will learn to ask and respond to questions that elicit personal information about themselves.
