MANORVALE MAIL

Issue 9 — Friday, 27th June 2025

Principal News

Dear Students, Parents, and Staff,

It was wonderful to see the students showing their family all that they have achieved this term on Thursday afternoon for Celebrations of Learning. Thank you for coming to participate when you can. Reports will be available to families next week to view and download on COMPASS. The last day of term finishes at 1:30pm on Friday. We will have assembly at 12:45pm on Friday in the Gym.

SCHOOL HOLIDAYS – CAMP AUSTRALIA

We hope you all have a chance as a family to spend time together. Sometimes it is good to have separate activities too and families that work throughout the break it can be a tricky time to navigate. Camp Australia runs at our school throughout the break and has activity days that are affordable for families to access. Check their page out. https://campaustralia.com.au/school/?accessCode=8819&doing_wp_cron=1750973040.9884529113769531250000

PARENT HELPERS IN THE CLASSROOM

We are looking for enthusiastic parent helpers to support various classroom and school activities. Your involvement makes a big difference in creating a positive and engaging learning environment for our students!

Whether you can spare a few hours a week or help out at special events, your time and support are greatly appreciated.

If you're interested in volunteering, please let us know by emailing brianna.morelli@education.vic.gov.au

Thank you for being an important part of our school community!

SOCIAL MEDIA – SCHOOL INSTAGRAM and FACEBOOK

We have started our Instagram and Facebook pages. Please find and follow us for insights into the school and events that are happening.

FACILITIES

We have won a grant to have trees donated to the school to plant. We will be doing this next term on National Schools Tree Day, Friday 25th of July.

We have also won another grant YAY!!! We will be redeveloping the Frog Pond so all the froggies will come back and visit.

New guttering will be installed on the classroom pods over the school break.

ATTENDANCE

“Rise and Shine, 8:30 is the time”

It is important for the students to be here at 8:30am for classes to begin at 8:40am. If your child comes after 8:40am they need to go to the office to get a late pass.

Kind Regards,
Brianna

SCHOOL MATRIX

Every fortnight, our whole school will focus on a different value and expectation from our school matrix. This helps us build a positive and respectful school community. We'd love for families to chat about it at home too—ask your child what the focus is, what it means to them, and how they can show it in their daily life. Let's work together to make these values a big part of our school and home life!

This fortnight, we're focusing on learning from our actions and mistakes. Every experience—whether it goes well or not—is a chance to grow and improve. When we make mistakes, it's important to reflect on what happened, take responsibility, and think about how we can do better next time. In the classroom, this looks like trying new things even if we're unsure, listening to feedback, and supporting each other through challenges. When we view mistakes as learning opportunities, we build resilience, confidence, and a culture where everyone feels safe to take risks and keep growing.

Resilient
We learn from our
actions and mistakes.

STUDENTS OF THE WEEK

This fortnight our JSC Students have selected the below students for their display of the school values.

Minimae and Shee Lwe for keeping our school clean and tidy.

Building Manorvale Minds

One Choice at a Time

Starting next term, we'll be placing a stronger focus on the minor behaviours that can disrupt learning—things like calling out, chatting during instructions, not following routines, or being off-task. While these behaviours might seem small, over time they can have a big impact on everyone's ability to learn and feel calm, focused, and respected in the classroom.

To support our students in making better choices, we'll be consistently using a clear four-step approach when these behaviours occur:

- **Redirect** – A quiet, non-verbal reminder (such as eye contact or a hand gesture) to help the student get back on track.
- **Respond** – A clear, calm verbal reminder that explains the expected behaviour and what needs to change.
- **Restate** – A second verbal reminder giving another opportunity to make a positive change.
- **Reflect** – A final reminder involving a brief reflection opportunity (this might be a quiet moment at their desk or a short time away from the group).

If needed, further support or intervention may follow to help students build positive habits and take responsibility for their actions.

This approach is all about being fair, consistent, and respectful—and ensuring every child has the chance to do their best. By working together, we can help our students build great learning behaviours that will support them both now and into the future.

RESPECTFUL

We are kind and fair,
we listen and care

RESPONSIBLE

We come ready, we
do our part. We
make good choices
right from the start.

RESILIENT

We try and never
quit, we learn from it

ASPIRING

We always try, we
aim high

The Wellbeing Wrap

RISE AND SHINE, 8:30S THE TIME

Hi Families!

We have a fun new incentive to encourage punctuality! Any class that ends the week with two or fewer late passes will receive hot chips from Sam's Fish and Chips as a delicious reward.

This will be a treat in addition to their regular lunch, not a replacement.

If you would prefer your child not participate in this prize, please contact Jody as soon as possible.

Thanks for your support in helping our students arrive on time!

School Saving Bonus

School Saving Bonus reminder and allocation to school activities

The Victorian Government is delivering the School Saving Bonus (SSB) – a one-off support of \$400 for eligible government school students from Prep to Year 12 in 2025.

The SSB can be used for uniforms and textbooks until Monday 30 June 2025.

Any funds remaining after 30 June 2025, including online voucher amounts that have not been redeemed, will become a credit to use on school activities. However, the credit will not be available on your family account at our school until late July.

To use any remaining SSB funds to cover the cost of school activities in July, please refer to the [SSB online system](#) and allocate the funds to school activities before 30 June 2025.

To learn more about the SSB online system, download the step-by-step [System guide for parents and carers \(DOCX, 945KB\)](#) or watch this [School Saving Bonus video](#). [System guide translations](#) are also available in 14 languages.

The Department of Education's SSB contact centre will remain available until 30 June 2025. The contact centre can be reached by:

- completing the [School Saving Bonus enquiry form](#)
- calling 1800 338 663, between 8:30 am and 4:30 pm on weekdays.

After this date, please contact our administration team for any SSB related questions.

Thank you.

(SSB information is also available on our website and compass)

CAPPUCETTO ROSSO & LA FESTA DI POLLICINO

**JULY
4
12:45**

we would like to invite all parents and community of Manorvale to attend the last day of term school assembly to watch the year 3-6 students extension groups perform two plays in Italian.

Students have been working hard on their performance, props and costumes to bring a simple story to life in another language. It has been a very fulfilling experience for them and I could not be prouder of these amazing students.

Grade 5/6 students will be performing
Little red riding hood (Cappuccetto
Rosso)

Grade 3/4 students will be performing
Pollicino's party (la festa di Pollicino).

Hope to see you there, Signora

A message from your Coordinator

Hi families and schooling community,

We've been having a great time at afterschool care lately! The new games like *Tapple* and *Monopoly Go!* have been a big hit with everyone. The children have been showing excellent turn-taking skills and even writing their names down to wait their turn.

We're also still enjoying the outdoors and have been playing lots of fun group games like dodgeball, octopus, and tiggy. It's been great to see everyone getting involved and having fun together.

One of our most exciting new areas is the hairdressing play space! The children have loved brushing and styling the mannequin heads. It's been a fantastic way for them to get creative and has sparked lots of lovely conversations and teamwork.

Coming Soon: Rocketeers Holiday Program

Our Rocketeers program kicks off on the **7th of July** – be sure to book in early to save your spot! We've got heaps of fun activities planned, including golf, a big art day, master builders, and dino fun! We'll also be heading out on some awesome adventures like a trip to the movies and taking on a ninja warrior course. It's going to be an action-packed time, and we can't wait to see everyone there!

Regards,

Kylie 😊

Some ideas for the holidays!

IXL

Wyndham
Libraries

Love Maths

Encourage reading by making it fun and interesting for them:

- Pick an interesting book (fact or fiction) and read to your child every day – show by example, a love of reading.
- Read purposeful texts with your child (train timetables, movie guides, holiday brochures, recipes).
- Encourage a short 10-minute reading session every day to sit and read with your child.
- Revise sight words in a fun way – write them on cards and play games with them – memory, fish, snap, bingo, old maid and rummy (you need 2 sets of each word to play!)

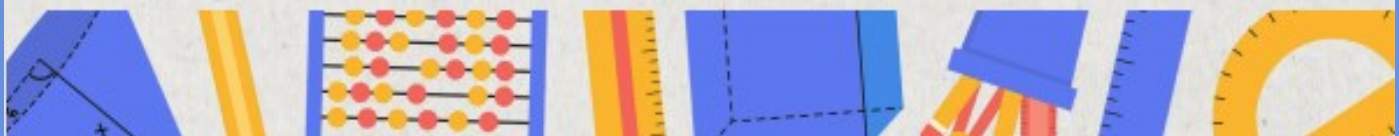

Test out some creative ways for your child to practice their writing:

- Keep a holiday journal once a week (or more if you can manage it) with details of 'When', 'Who', 'Where' and 'What'. Have your child draft it on scrap paper and then present it in a project book or type it on a computer. If they want, they could add in souvenirs (movie tickets, photos, trinkets).
- Write a joke book with your child – tell jokes to each other and write them down.
- Make a recipe book – cook with your child, talk about the recipes and put them in a book together.
- Write postcards to family and friends.
- For those children with a wild imagination this is the time to write long, glorious stories because there's no bell for lunch to disrupt the flow of writing.
- Play board games such as Scrabble.

Play Scategories and Hangman with your child.

Think about different opportunities to practice basic maths skills:

- Practice basic maths facts using board games – all you need is a blank board game, die, counters and a 12-sided spinner (or number cards or die).
- Use cards and dice lying around the house to play maths games – simply flip two cards or roll two dice and add, subtract or multiply the numbers. The answer can be used to move around a game board or score points for the highest or lowest answer. These games can be made more challenging by increasing the number of cards or dice thrown at any one time.
- Play board games like Snakes & Ladders or Dominoes – basically anything involving counting dice and moving spaces is another opportunity for your child to practice their basic maths facts.
- Design your own games. Children enjoy being creative and can design their own board, materials and rules – lots of skills are practiced with this fun activity.
