PRINCIPAL NEWS

Dear Students, Parents, and Staff,

One of the greatest gifts we can give our children is the ability to navigate challenges with confidence and optimism. Resilience is the capacity to cope with setbacks, adapt to change, and persevere when things become difficult. It is a vital life skill that supports positive mental health and wellbeing.

Children who develop resilience are better equipped to manage stress, solve problems, build healthy relationships and recover from disappointments. Rather than avoiding challenges, resilient children learn that mistakes and setbacks are valuable opportunities for growth and learning.

At school, we encourage students to demonstrate resilience by embracing challenges, persisting with difficult tasks, seeking support when needed, and learning from their experiences. These skills help students develop confidence in their own abilities and foster a positive mindset that will serve them throughout their lives.

Families play an important role in building resilience. Encouraging children to take on age-appropriate responsibilities, praising effort rather than outcomes, helping them problem-solve independently, and modelling positive responses to challenges can all strengthen resilience. By working together to develop resilience in our children, we are helping them build the emotional tools they need to thrive both now and in the future. Resilient children are better prepared to face life's ups and downs, maintain positive mental health, and continue striving towards their goals.

ATTENDANCE

“Rise and Shine, 8:30 is the time”

It is important for students to be here at 8:30am for classes to begin at 8:40am. If your child comes after 8:40am they need to go to the office to get a late pass.

BUILDINGS

A part of the new buildings are new place spaces for our students to use. This year and after the demolition of the old Administration building, new play spaces will be created. This is a wonderful addition to the school and it's grounds.

EVENTS

The grades 5 and 6 students participated in a Winter Gala Day. Our students represented the school in Tee ball, Basketball and Hockey. A huge thank you to Mike Spooner, Kajal Chandra, Sam Tarbet, Colleen Farrell, Nicole Gordon, Jeff Salesa and Teagan Ritchie for attending and making this opportunity possible for the students.

Life Education incursion is currently underway for our grades 5 and 6 students. They are learning about 'Decisions', this module explores the impact of alcohol & other drugs on our bodies. It equips students with facts to make informed decisions.

ASSEMBLY DATES AND TIMES

Assemblies for the term will be held on Friday on the 19th June at 2:30pm and the end of term assembly will be on 26th June at 1pm.

SOCIAL MEDIA – SCHOOL INSTAGRAM AND FACEBOOK

We have started our Instagram and Facebook pages. Please find and follow us for insights into the school and events that are happening.

RECONCILIATION WEEK

Recently, our school proudly recognised National Reconciliation Week, a time for all Australians to learn about our shared histories, cultures and achievements, and to reflect on how we can contribute to reconciliation in our everyday lives.

At our school, reconciliation is not limited to one week of the year. It is an ongoing commitment to building relationships, showing respect, and creating opportunities for all members of our community to learn from one another. Through meaningful conversations and learning experiences, we continue to develop a greater understanding of the past while working together towards a more inclusive future. Together, we can all play a role in building stronger relationships and a more united Australia.

During a Manorvale Mob session the students co-created an Acknowledgement of Country for the school. .

Here is the land.
Here is the sky.
Here are my friends.
And here am I.

We would like to thank the Wadawurrung people for
the land that our school is on.

This is a place where learning grows.
Where the river runs, animals roam and the land we
care for is our home.

Kind Regards,
Brianna

PYJAMA DAY!

Students in Grade 2 wrote to Jess and Brianna to persuade them to hold a Pyjama Day. Their writing was so compelling that we have decided to run a whole-school fundraiser on the last day of term!

For a gold coin donation to support The Pyjama Foundation, which assists children in foster care, students are invited to come to school in their comfiest pyjamas.

Please ensure students wear appropriate footwear for the day. Donations will be collected in the morning by our JSC members.

If you have any questions, please contact Jody at jody.cole@education.vic.gov.au.

RISE AND SHINE 8:30'S THE TIME

Every Day and Every Minute Counts!

Families, please remember that every day counts — and so does every minute! To ensure students are ready for the day's learning, they should arrive at school by 8:30 am. This week 122 late passes were issued!

Thank you for supporting your child to arrive at school on time and ready to begin the day.

We encourage all families to continue working with us to reduce this number even further and ensure students start their learning smoothly each morning.

If getting to school on time is proving challenging for your family, please reach out. We are happy to meet and work together to develop a plan that supports your child's attendance.

GIACCO E IL FAGIOLO PLAY - INVITATION

The Grade 5 and 6 students have been enthusiastically preparing an Italian play to perform for the whole school.

Throughout the semester, they have dedicated themselves to rehearsing their lines and creating props and costumes, demonstrating great commitment and teamwork.

The students have worked incredibly hard and would be delighted to share their performance with our school community.

We warmly invite parents, grandparents, and family members to attend and support them on this special occasion.

The play will be presented at the first assembly of Term 3.

Further details regarding the date and time will be provided closer to the event.

Thank you for your support,
Signora Bonnie Maiorana.

CSEF

The CSEF (Camps, Sports and Excursions Fund) is provided by the Victorian Government to assist eligible families with the cost of school trips, camps and sporting activities.

Families who hold a valid concession card or are temporary foster parents may be eligible to apply.

If you think you may qualify and have not yet applied, please contact the school office for more information and application forms.

We encourage all eligible families to take advantage of this valuable support program.

This year the CSEF payment is \$400 per child.

This can be a huge help and with a few camp spots still open, families who are eligible for CSEF would only need to pay \$31 out of pocket for camp this year.

UPDATE FROM OUR KITCHEN GARDEN

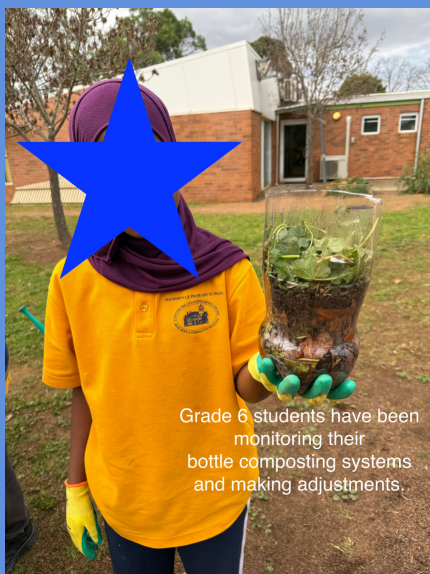

Students from grades Prep to 2 have been reporting their observations and interests during our Kitchen Garden sessions through STEM. They have written and illustrated articles that we are compiling into book form to share with others and promote the Kitchen Garden as 'A Place for Everyone!'

Year 3-4 students have been monitoring the progress of their mini-greenhouses and recording their findings.

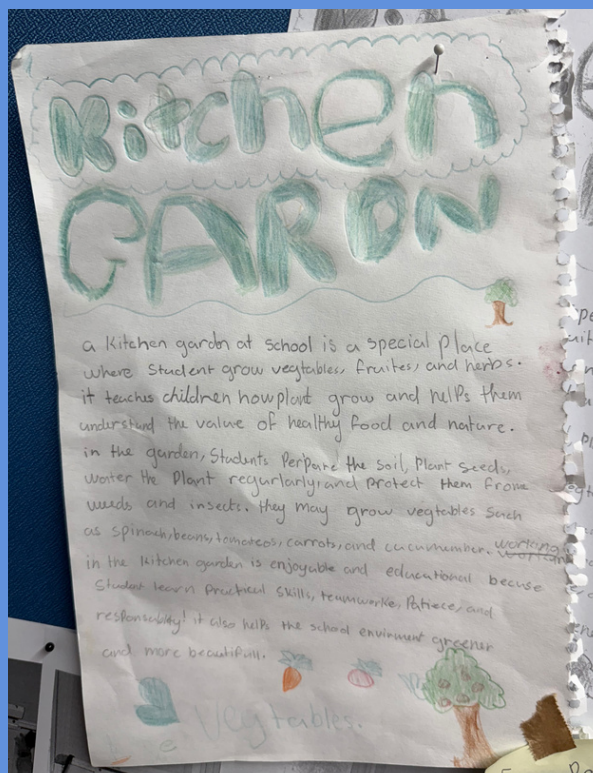

Year 5 students have had success testing 3 different designs for self-watering pots. The lettuce and spinach seedling they have planted are looking healthy.

Year 6 students have been analysing their bottle composting systems and adjusting the balance of nitrogen (green stuff), carbon (brown stuff), water and air circulation in their quest for the perfect compost to use in our Kitchen Garden.

Thank you to Reuzl from 6B for a wonderful written review of the benefits for students and the wider school community of our Kitchen Garden.

Grade 6 students have been monitoring their bottle composting systems and making adjustments.

Grade 3-4 students have been monitoring their mini-greenhouses and were excited to see the seeds have germinated and are beginning to grow!

Office ✨ Messages

REPORTING STUDENT ABSENCES

To avoid receiving a phone call or a note/letter from the school when your child is absent, please remember to enter their absence by entering an "Attendance Note" on Compass.

If you are unable to do this or unsure of how, please contact the office.

If families have not advised the school of a student absence, a text message will be sent at 9:15am alerting the family. Families are expected to respond to the school with a reason for the absence as soon as possible.

CSEF

CSEF applications are now open.

Any new families and new siblings attending the school who have a valid healthcare card may be eligible to apply for the Camps, Sports and Excursions Fund.

Forms can be collected in the office.

MEDICATION

If your child requires medication to be taken during school hours, we are able to administer their medication at Sick Bay.

We require a letter from the prescribing medical professional, the medication and you will need to complete a Medication Authority Form.

Please contact the office to arrange.

CONSENT FORMS/EVENTS

Please ensure all notes are returned by the due date listed on your child's note.

We will NOT be accepting forms returned after the due date.

If any special considerations need to be made please contact the office.

Breakfast Club runs on a Tuesday and Thursday morning from 8am - 8:30am.

Breakfast Club is held in the Gym foyer and is run by our terrific staff using food supplied by Foodbank.

FOODBANK

Foodbank help supply many items for our students and families. The wonderful Education Support staff Mrs P orders and distributes all the fresh fruit we get delivered for every class and ensures there are spare food items for children who may have forgotten their food.

Any families who require any additional food products should notify the office or Leadership for any assistance. Foodbank offer a range of supports, we are here to help families as much as we can.

SAFETY TIPS AROUND SCHOOL CROSSINGS

Driving To and From school

- Always park legally and avoid dangerous maneuvers like U-turns and three point turns at or near the crossing.
- Always be alert for children and pedestrians.
- Children should exit the side of the car that is on the kerb side of the road **away from passing traffic at all times.**

Walking To and From School

- Plan your trip to school so that you are crossing the road at safe places, such as School Crossings.
- Always hold your child's hand up until the age of eight.
- Talk to your children about Stop, Look, Listen and Think, every time they cross the road.
- Drop off and pick up your child near the school gate, avoid calling them from across the road.

COMMON PARKING ISSUES AROUND SCHOOL CROSSINGS

To assist in keeping School Crossing areas a safe place for pedestrians and School Crossing Supervisors, Parking Officers monitor and patrol School Zones. Please find a list of common reasons for infringements below:

Double parking

- Do not stop next to another vehicle already parked next to a kerb, even if you are just quickly stopping to let a passenger in or out.

No Stopping Signs

- You must not park or stop in a No Stopping area for any reason.

School Crossings

- Do not park, or stop within or on a school crossing while it is in operation.

Bus Stop and Bus Zone Signs

- These areas are to be kept clear for school buses and public transport buses only

Nature Strips, Footpaths and Reservations

- Do not stop or park on nature strips, footpaths or reservations as it can create unsafe situations for children, as well as cause damage to council infrastructure.

Driveways

- Do not park fully or partially across a driveway, be respectful of residents that live in the area.

***If you would like more information relating to Parking Laws, please visit
Wyndham City: www.wyndham.vic.gov.au or
VicRoads: www.vicroads.vic.gov.au**

STOP LOOK LISTEN THINK

Regardless of your child's age or experience, to cross a road safely they should be taught to:

1. Stop at the kerb, not on the road.
2. Look in all directions for approaching traffic.
3. Listen for any vehicles coming.
4. Think about if it is safe to cross the road.

STOP

LOOK

LISTEN

THINK

SAFETY AROUND SCHOOLS

Children's crossings are usually part-time crossings that operate before and after school hours. When in use, red flags displaying the words **CHILDREN CROSSING** are used. Outside of these times, the area is not a pedestrian crossing.

During peak school zone times we ask parents and carers to take extra care to make sure they are parked safe and legally to ensure the safety of the children and themselves.

Watch for and obey the instructions of the School Crossing Supervisor who operates the school crossing.

School crossing supervisors need to have a clear field of vision in all directions around their crossing, so that they can spot approaching children and vehicles as soon as possible.

SCHOOL CROSSINGS

Pedestrians – Children and Adults

- When flags are displayed all pedestrians should use the crossing
- Always follow the instructions of the crossing supervisor.
- Make sure all traffic has stopped before stepping on to the crossing.
- Only cross when it is safe to do so and Stay Alert.

Drivers and Riders

- Should always watch out for children and pedestrians near schools.
- Must not overtake a vehicle stopping or stopped at the crossing.
- Must approach at a speed slow enough to safely stop.
- Must stop if a hand held 'Stop' sign is displayed.
- Must proceed only when all children and adults, including the supervisor are off the road.

Respect our school crossing supervisors. They do an essential job of keeping everyone safe.
