Dear parents and carers

The Victorian Government announced today that the current restrictions for Victoria will be extended for another seven days, until 11.59pm on Thursday 19 August.

All students in metropolitan Melbourne, including our school, will continue to learn from home, except for students in the following categories:

Children where both parents and/or carers are considered authorised workers who cannot work from home, work for an essential provider and where no other supervision arrangements can be made:

- Where there are two parents/carers, both must be authorised workers, working outside the home in order for their children to be eligible for on-site provision.
- For single parents/carers, the authorised worker must be working outside the home in order for their children to be eligible for on-site provision.

Children experiencing vulnerability, including:

- in out-of-home care
- deemed vulnerable by a government agency, funded family or family violence service, and assessed as requiring education and care outside the family home
- identified by a school or early childhood service as vulnerable, (including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service)
- Where a parent/carer indicates that a student with a disability is vulnerable because they cannot learn from home, and/or informs the school the student is vulnerable due to family stress, the school must provide on-site supervision for that student. This may apply to students enrolled in specialist schools and students with a disability enrolled in mainstream schools.

Thank you, for supporting your child's learning during this time. Please contact the school on 9741 6300 with any questions.

Helen Watson
